

Student Loan Repayment and 529 College Savings Plan Program

Your employer understands that many employees struggle with student loan debt or savings for a child's future education. That debt or savings may be a burden holding you back from important milestones in your life like buying a car, a house, or saving for retirement.

We want to help.

Through this program your employer contributes funds that are paid directly toward your student loan or 529 College Savings Plan, by BenefitEd, as a part of your benefits package.

These funds coupled with your standard payment will assist you in either paying down student loan debt or saving for your child's future education faster.

Items Needed for Enrollment

- Enrollment email from BenefitEd
- First name, last name (as recorded with HR), and employee ID
- Account information:
 - name of loan servicer or 529 plan provider
 - physical payment address of loan servicer or 529 plan provider
 - account number

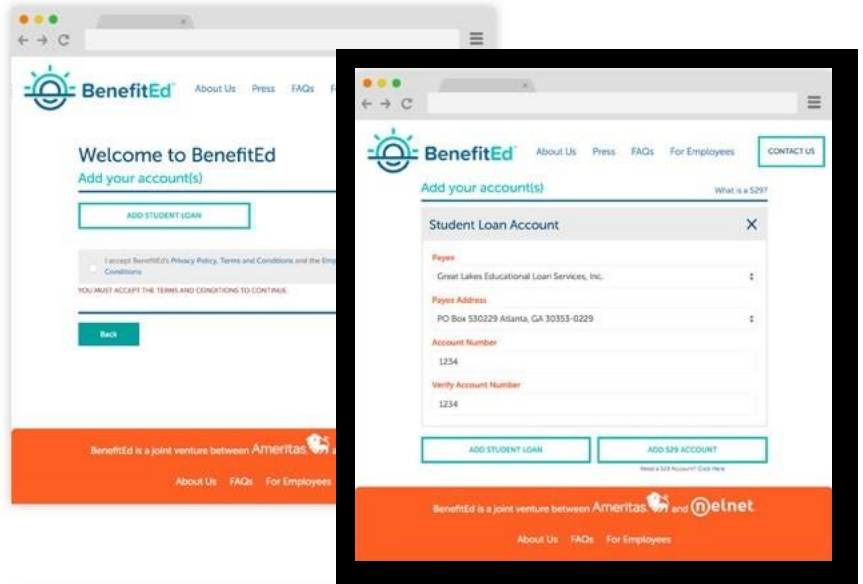

Validate Your Information

You will be asked to validate your first name, last name (as recorded with HR), and employee ID.

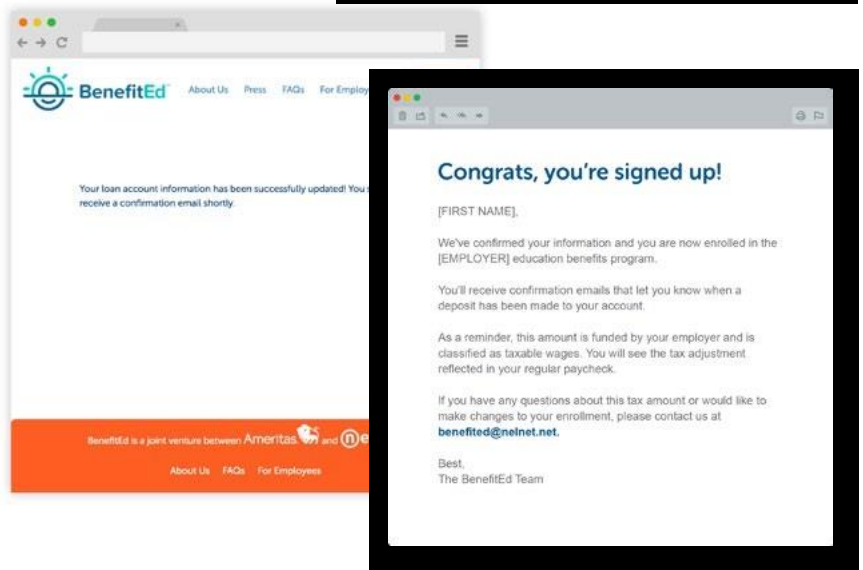

Register Account(s)

Enter your account information. You can register up to five student loans or five 529 plans. If you are splitting contributions between multiple accounts, you will need to select how the funds are distributed.

Enrollment Confirmation

You will receive an email from BenefitEd confirming your enrollment. You also will receive payment confirmation emails when BenefitEd makes a payment on your behalf towards your account.

If you have questions about eligibility, enrollment, or payment processing please contact Support@YouBenefitEd.com.

BenefitEd is a joint venture between Ameritas  and
